COVID-19 Government Rules

Please help us to implement the new law

Venues following COVID-19 Secure guidelines can host more than 6 people in total, but no one should visit in a group of greater than 6. When you visit one of these places, such as a pub, shop, leisure venue, restaurant or place of worship you should:

- follow the limits on the number of other people you should meet with as a group **(it will be illegal to be in group of more than six from outside of your household)**
- avoid social interaction with anyone outside the group you are with, even if you see other people you know
- provide your contact details to the organiser so that you can be contacted if needed by the NHS Test and Trace programme

Thank you
